GUIDE TO CHECKING SPRINGER EBOOK DATABASE ACCESS

1. **Access Link:** <https://link.springer.com/>
2. **Institutional Information:** The information of your authorized institution will be displayed at the bottom of the webpage (footer).

The screenshot shows the Springer Nature website footer with a dark blue background. It features four main columns of navigation links: 'Discover content' (Journals A-Z, Books A-Z), 'Publish with us' (Journal finder, Publish your research, Open access publishing), 'Products and services' (Our products, Librarians, Societies, Partners and advertisers), and 'Our brands' (Springer, Nature Portfolio, BMC, Palgrave Macmillan, Apress, Discover). Below these are various policy links like 'Your privacy choices/Manage cookies' and 'Terms and conditions'. A prominent white text 'CHECK LOGIN DETAILS' with a green downward arrow points to a white-bordered box containing the IP address '14.161.14.185' and the institution name 'Ho Chi Minh University of Banking (3902460081) - 10845.01 SpringerLink Vietnam Combo eBook Consortium (3000813176) - National Economics University (3000577483)'.

Check the institution's name and the IP range currently accessing the database. (Is the IP range within your institution's registered IP ranges?)

This close-up screenshot highlights the IP address '14.161.14.185' and the institution name 'National Economics University' from the previous screenshot with red rectangular boxes. The full text in the screenshot is: '14.161.14.185' and 'Ho Chi Minh University of Banking (3902460081) - 10845.01 SpringerLink Vietnam Combo eBook Consortium (3000813176) - National Economics University (3000577483)'. Below this, the Springer Nature logo and '© 2025 Springer Nature' are visible.

If your institution's name is displayed, users will have full-text access to the provided data. If this information is not displayed, please notify your institution/library.
